### Time of Service Collections

Best Practice: 90%      Your Practice:

### Average Days in A/R over 120

Best Practice: <12%-15%      Your Practice:

### Net Collection Rate

Best Practice: >96%      Your Practice:

### Denial Rate

Best Practice: <3%-5%      Your Practice:

## How do you compare?

If your practice is not meeting the best practice standards, it may be time to consider a new billing process. Quantum Revenue Cycle Management (RCM) offers medical billing services, which provide you with a team of medical billing experts to take complicated billing issues off of your plate, allowing you to focus on those that matter most—your patients.
